

Smarter Shows Safety Standards - Code of Conduct

The health, safety and wellbeing of our exhibitors, visitors, speakers, contractors, and staff attending Adhesives & Bonding Expo and Foam Expo in July is our number one priority.

The Code of Conduct outlines our expectations for all attendees who attend the event. The show organizers will enforce this Code and expect cooperation from all participants to help us promote a safe environment to all who attend the events.

Before Leaving Home

- Follow relevant [symptoms / feeling unwell](#) guidance provided by the [Centers for Disease Control and Prevention](#) (CDC), and your local health authority.
- Evaluate your own health and that of the people you are in close contact with.
- Stay at home if you are feeling unwell.

On-site During the Event

- Face coverings are recommended indoors for attendees.
- Personal Hygiene.
 - Washing hands often with soap and water for at least 20 seconds, or an alcohol-based sanitizer with at least 60% alcohol.
 - Avoiding touching eyes, nose, and mouth with unwashed hands.
 - Covering your nose and mouth when coughing or sneezing. Throw used tissues in the trash.
 - Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Greetings.
 - Minimise personal greetings such as handshakes, hugs and high fives.
- Physical Distancing.
 - Adhere to physical distancing protocols if applicable and respect others' personal space.
- Instructions.
 - Follow any instructions and communication provided on signage, by event staff and fellow exhibitors.
- Feeling Unwell.
 - If you feel unwell or are experiencing flu like symptoms, please ask a member of staff at registration or the Organizers' Office, or a member of the security team for further assistance.

Post-event

- Based on current contact tracing advice from many health authorities, if you test positive for COVID-19 up to 14 days after returning home, please contact the event organizers to advise them. Email: info@smartershows.com
